

Therese Samudio Speaker for Your Next Event!

Therese Samudio has accumulated a wealth of sales and business insights during face-to-face interviews with more than 10,000 business owners all across the U.S., while selling and coaching others to sell management consulting services. Her extensive experience also includes producing, directing and appearing in hundreds of broadcast TV and educational video programs, as well as providing advertising, public relations and special events to promote 500 retail businesses in thirteen shopping malls. "I really enjoy speaking for and working with business owners, sales managers and sales pros who want Quality Sales Consistently for Everlasting Sales Performance."
